

## **Roland S. Bokma, PE**

Structural Engineer  
LEED AP BD+C, StS

### **EDUCATION**

Grand Rapids Community College - AA  
Calvin College - BSCE

### **REGISTRATION**

Florida                      Michigan                      Wisconsin  
Indiana                      Mississippi

### **PROFESSIONAL EXPERIENCE**

Roland began his engineering career in the West Michigan area in 1997, with an engineering/architectural firm. Since joining JDH Engineering in 2002, he has been the project engineer for a variety of educational, commercial, municipal, and residential projects. He regularly consults as a specialty structural engineer for steel fabricators for steel connection, steel stair and railing design. Mr. Bokma has also received training from the U.S. Army Corp of Engineers as a structural specialist (StS). He serves on Michigan Task Force 1 and on Region 6's (Western Michigan) disaster response strike team.

### **PROFESSIONAL AFFILIATIONS**

American Concrete Institute ACI  
American Institute of Steel Construction AISC  
American Society of Civil Engineers ASCE  
Masonry Institute of Michigan MIM – West MI Masonry Advisory Board Chairman  
Michigan Task Force One MI-TF1 (Emergency Response Team)  
National Council of Examiners for Engineering & Surveying NCEES  
Structural Engineers Association of Michigan SEAMI

### **RESPONSIBILITIES**

Roland's responsibilities include project engineering; contract document preparation, including interaction with the other disciplines of the design team; and contract administration assistance during construction.
