

## **Roland S. Bokma, PE**

Principal, Senior Project Manager  
LEED AP, StS

### **EDUCATION**

Grand Rapids Community College - AA  
Calvin College - BSCE

### **REGISTRATION**

Florida	Kentucky	Mississippi
Indiana	Michigan	Wisconsin

### **PROFESSIONAL EXPERIENCE**

Roland began his engineering career in 1997, with a West Michigan engineering/architectural firm. Since joining JDH Engineering in 2002, he has been the project engineer for a variety of educational, commercial, municipal, and residential projects. In 2012, Roland became a Principal within the firm and has taken on management responsibilities in addition to providing structural engineering and project management.

Roland regularly consults as a specialty structural engineer for steel fabricators for steel connection, steel stair and railing design as well as specialty engineering for metal panel, glass and aluminum manufacturers. He has also received training from the U.S. Army Corp of Engineers as a structural specialist (StS). He serves on Michigan Task Force 1 and on Region 6's (Western Michigan) disaster response strike team.

### **PROFESSIONAL AFFILIATIONS**

American Concrete Institute ACI  
American Institute of Steel Construction AISC  
American Society of Civil Engineers ASCE  
Masonry Institute of Michigan MIM – West MI Masonry Advisory Board Chairman  
Michigan Task Force One MI-TF1 (Emergency Response Team)  
National Council of Examiners for Engineering & Surveying NCEES  
Structural Engineers Association of Michigan SEAMi

### **RESPONSIBILITIES**

Roland's responsibilities include project engineering; contract document preparation, including interaction with the other disciplines of the design team; and contract administration assistance during construction. He also provides internal management for JDH Engineering.
