

Brandon L. Hildreth, PE

Senior Structural Engineer

EDUCATION

Michigan Technological University - BSCE

REGISTRATION

Michigan

PROFESSIONAL EXPERIENCE

Brandon started his engineering career in 1996 with a structural consulting firm in Bay City, where he worked for 5 years. In 2001 he moved back to West Michigan and began working with a civil/structural firm, where in 14 years he advanced from staff engineer to Senior Engineer, Structural Department Manager and Associate. He then spent a little over a year with a large, local Grand Rapids full-service AE firm as a senior structural engineer, before bringing his 20 years of experience to JDH Engineering in July of 2016.

Some of Brandon's notable projects include Concourse B Expansion – Gerald R Ford Airport; Boy Scouts of America – Camp Gerber Dining Hall; North Kent Sewer Authority – PARCC Side Clean Water Plant; Muskegon County Pump Stations C, Q, and W; Waste Water Treatment Plants – Allegan and Big Rapids; and Water Treatment Plant – Allegan.

PROFESSIONAL AFFILIATIONS

American Concrete Institute ACI

American Institute of Steel Construction AISC

Michigan Masonry Advisory Board MMAB

National Council of Structural Engineers Association NCSEA

Structural Engineers Association of Michigan SEAMi

RESPONSIBILITIES

Brandon's responsibilities include project engineering, providing guidance to staff engineers, quality control project reviews, and client management and development. Brandon's experience brings cost effective solutions to design.
