

## **Kevin Powers**

Project Engineer

### **EDUCATION**

University of Michigan - MEngSE

University of Michigan - BSCE

### **PROFESSIONAL EXPERIENCE**

Kevin worked as a Field Engineer and Design Intern for Carl Walker, a division of WGI, for two summers. During his time with Carl Walker, Kevin oversaw three parking structure restoration projects in the Lansing, Michigan Area. Kevin joined the JDH team in 2019.

### **RESPONSIBILITIES**

Kevin primarily works with senior engineers at JDH, providing engineering analysis and design of structural systems. Kevin's responsibilities include structural modeling in Revit, construction document preparation, and shop drawing review.
